

**Good Driver?
Like to be even better?**

Wirral Group Young Driver Discount

Are you aged 17 to 35 and live on Merseyside?

We are able to offer young drivers a huge £89 discount on the IAM RoadSmart Advanced Driver course, thanks to funding from the Merseyside Road Safety Partnership. You pay only £60 rather than the normal £149. We'll register you with IAM RoadSmart HQ.

You'll be assigned to a qualified "Observer" who will give you guidance during on-road sessions in your own car and when you're ready, you'll take the advanced driving test.

If you are not sure whether the Advanced Driver Course is for you, we offer a free no obligation assessment drive to help you decide.

To qualify you must live within the Merseyside area. Proof of age may be required. National IAM RoadSmart and company discounts cannot be used in conjunction with this offer.

Limited funding available so act now!
